ON LINE ENTRY SYSTEM AVAILABLE

We are offering online entries through www.horseshowsonline.com. There is a \$1/entry charge for this service. Below are instructions to enter online.

What you need:

- A free account at **HorseShowsOnline**. If you don't already have an account you can create one when you click the continue button below. **HorseShowsOnline** basic member is FREE.
- A record in your account for each person and horse that you will use on show entry forms when you enter a show.

How do I get started:

1. Login to **HorseShowsOnline** by clicking the "Member Services" button in the main menu, OR click the continue button below.
2. Once you are logged in, click the "My Horses, People, Shows" button in the member menu.
3. At the People, Horses, Shows page, add any new people and horses to your account as required on the appropriate tab (IE: My People, My Horses). People and horses are saved with your account. Once you have those records in your account you can use them at every show you enter.
4. Click the "Enter show" button to select the show you want to enter and follow the steps in the online entry wizard.

Steps to enter a show:

- Select the show you want to enter from your "**My People, Horses, Shows**" page on the "**My Show Entries**" tab, or find the show you want to enter in show selector and click the Online Entry icon. This will start the online entry wizard. Make sure you have already created the horses and people in your member account.
- The online entry wizard will guide you through the steps to complete the entry form. The basic steps in the wizard are:
 1. Select the horse, people, and riders for your entry
 2. Select the classes each rider is entered in.
 3. Select the quantity for stalls and other fees.
 4. Confirm your selections
 5. Checkout and submit the show entry.
- The final step generates the completed entry form and submits your entry to the show for review and acceptance. If the show requires a payment at entry time, you will be prompted for your credit card information.

Tips:

- You can cancel the entry part way through the wizard and resume the entry later on. For example if you need to add more people to your account, or you just want to come back and complete the entry later. Unfinished entry forms are listed in your "My entries" tab and will allow you to edit the entry.
- People and horses you create in your account are saved permanently and can be used in other shows you enter. You only need to add people and horses once and then they can be re-used.

Kentucky State Academy Rules

Attire of the rider: Jodhpurs, vests, tie and long sleeved shirt, with riding boots and gloves. Hair should be neatly held back so that the back number is visible. Riding suits and hats are prohibited. Protective headgear is strongly encouraged.

Equipment for the horse: School bridles, double or full bridles with running martingales and German martingales are all permissible along with appropriate saddle for the division being judged. Any protective equipment (shin boots, knee boots, rundowns, saddle pads, etc) will be permitted. Blunt spurs are optional at the discretion of the instructor. No braiding of the horse; hoof blacking is optional. Training devices such as chains, stretchers, and blinkers are NOT allowed in the warm up ring or the show ring.

Class Divisions and Judging Criteria: There should be two main divisions – Equitation which is to be judged on basic seat, hands and form, along with effective control of the horse. Pleasure classes to be judged on showmanship, ring generalship and presentation of the horse to its best ability. Correct diagonals are not to be judged in the pleasure classes. Classes should be further divided into walk/trot and age divisions.

Rider Eligibility: A rider is no longer eligible for the academy division if he/she has shown, dressed in a riding suit in a regular horse show class; with the exception of competing in a 4-H Horse Show. This applies to riders that compete in a suit in the walk/trot division – they cannot then compete in the walk/trot/canter academy division.

Horse Eligibility: A horse that is used in an academy competition can be farm or privately owned and must earn its living in a lesson program. It cannot be maintained in training within the current show season.

Cross Entering: Academy horses (with different riders) are permitted to cross enter in regular classes of a show as long as they meet the academy criteria. If an academy rider competes in a regular class at a show he/she is ineligible for further competition in the academy division.
