ON LINE ENTRY

Online Show Entry - How To Enter A Show

Online Show Entry - Getting Started

What you need:

Proceed to online entry. Go to "My people, horses, shows" page.

- A free account at HorseShowsOnline. If you don't already have an account you can create one when you click the continue button below. HorseShowsOnline basic member is FREE.
- A record in your account for each person and horse that you will use on show entry forms when you enter a show.

How do I get started:

1. Login to HorseShowsOnline by clicking the "Member Services" button in the main menu, OR click the continue button below.
2. Once you are logged in, click the "My Horses, People, Shows" button in the member menu.
3. At the People, Horses, Shows page, add any new people and horses to your account as required on the appropriate tab (IE: My People, My Horses). People and horses are saved with your account. Once you have those records in your account you can use them at every show you enter.
4. Click the "Enter show" button to select the show you want to enter and follow the steps in the online entry wizard.

Steps to enter a show:

- Select the show you want to enter from your "**My People, Horses, Shows**" page on the "**My Show Entries**" tab, or find the show you want to enter in show selector and click the Online Entry icon. This will start the online entry wizard. Make sure you have already created the horses and people in your member account.
- The online entry wizard will guide you through the steps to complete the entry form. The basic steps in the wizard are:
 1. Select the horse, people, and riders for your entry
 2. Select the classes each rider is entered in.
 3. Select the quantity for stalls and other fees.
 4. Confirm your selections
 5. Checkout and submit the show entry.
- The final step generates the completed entry form and submits your entry to the show for review and acceptance. If the show requires a payment at entry time, you will be prompted for your credit card information.

Tips:

- You can cancel the entry part way through the wizard and resume the entry later on. For example if you need to add more people to your account, or you just want to come back and complete the entry later. Unfinished entry forms are listed in your "My entries" tab and will allow you to edit the entry.
- People and horses you create in your account are saved permanently and can be used in other shows you enter. You only need to add people and horses once and then they can be re-used.

ACADEMY ENTRIES CLOSE APRIL 4, 2023

Kentucky State Academy Rules 2023

ATTIRE OF RIDER:

Jodhpurs, vest, tie and long-sleeved shirt, with riding boots and gloves. Hair should be neatly held back so that the back number is visible. Riding suits and hats are prohibited. Protective headgear is required for all riders ages 17 and under.

EQUIPMENT FOR THE HORSES:

Snaffle bridles, double or full bridles with running martingales and German martingales are all permissible, along with appropriate saddle for the division being judged. Any type of leverage bit with a curb chain or strap is not allowed with rein through martingale or a draw rein attached to said bit. Draw reins are only permissible with a snaffle bridle when used in conjunction with a straight, top rein; only one of the two reins are allowed to be through a martingale. Any protective equipment (bell boots, shin boots, knee boots, rundowns, saddle pads etc.) will be permitted. Blunt spurs are optional at the discretion of the instructor. No braiding of the horse; hoof blacking is optional. Training devices such as chains, straps, stretchers and blinkers are NOT allowed in the warm up or the show ring.

JUDGING CRITERIA:

There should be two main divisions: Diagonals to be judged in both divisions.

- Equitation: To be judged on basic seat, hands and form, along with effective control of the horse.
- Horsemanship: To be judged on showmanship, ring generalship and presentation of the horse to its best ability.

RIDER ELIGIBILITY:

A rider is no longer eligible for the academy division if he/she has shown, dressed in a riding suit in a regular horse show class on any breed/discipline; with the exception of competing in a 4-H Horse Show. This applies to riders that compete in a suit in the walk and trot division- they cannot compete in the walk/trot/canter academy division. Exception to this will be for riders to show in the show rider academy classes. If a show rider is over age 50, has not shown for 10 years or more and has not won a world or national title, he/she is eligible to show in academy classes. A rider who has shown in a driving division only at a regular horse show is eligible to compete in the academy under-saddle division. A rider who has shown in the under-saddle division only at a regular horse show is eligible to complete in the academy driving division.

HORSE ELIGIBILITY:

A horse that is used in an academy competition can be farm or privately owned and must earn its living in a lesson program. It cannot be maintained in training within the current show season.

CROSS ENTERING:

Academy horses (with different riders) are permitted to cross enter in regular classes of a show as long as they meet the academy criteria.
